Her work has been published in many newspapers and magazines throughout the San Diego area. She is also a Past-President of the San Diego Guild of Sculptors.

"As far back as I can recall I have had a deep interest in depicting the human form with all its challenges, capturing the spirit and mood of the subject.

I have been sculpting since 1979 taking my drawing and painting to a new level. The feeling of taking a block of clay and seeing the form come to life is exciting. My favorite mediums are clay and bronze.

Evelyn received her education in Los Angeles and Encinitas majoring in Fine Art. She studied under several notable artists and participated in several Honors Programs at Mesa College.

She has exhibited her work in many juried exhibitions and galleries throughout San Diego, Los Angeles and in New Mexico.
